Economic Prosperity

WATERFRONToronto

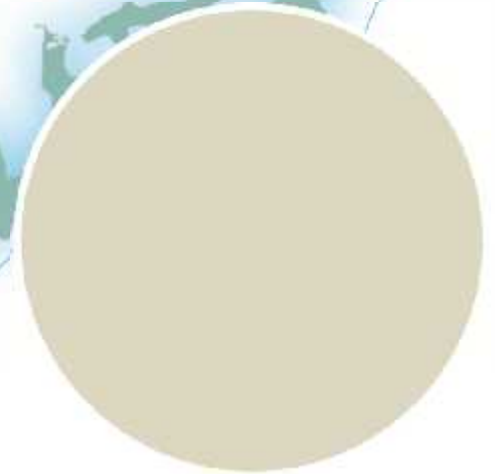

We're engaged in one of the most *significant* city building projects in the world.

Battery Park
New York City

Canary Wharf
London, U.K.

Waterfront
Toronto
Canada

An aerial photograph of an industrial facility, possibly a water treatment plant or a large-scale manufacturing site, situated along a large body of water. The facility features several large, rectangular basins or tanks, some with dark, possibly water-filled, interiors. There are numerous buildings, including large warehouses and smaller structures, scattered across the site. The surrounding area includes some greenery and a road. A prominent blue banner with white text is overlaid on the upper portion of the image.

An Integrated Planning Approach

Engaged Citizens

Master Planned Communities

Integrated Sustainable Systems

Family Amenities

Innovation Epicentre

ICF Global Framework

Smart Infrastructure: Ultra-broadband + Wi-Fi
