智慧城市，让生活更精彩

Smart City  Wonderful Life

银川市副市长 郭柏春
Guo Baichun, Vice Mayor, Yinchuan
Why TM Forum Selected Yinchuan to hold Smart City InFocus?
Remarkable Achievement in Smart City Development - Yinchuan

After years of investing in smart city infrastructure and construction, Yinchuan has achieved remarkable success in smart city areas including; smart government, transportation and environmental protection, etc. Yinchuan provides a blueprint which can be copied and implemented in other cities around the world.

Through the joint cooperation between Yinchuan, TM Forum and ZTE, we believe Yinchuan will gain the further success and continue to lead thought leadership and vision in Smart City domain worldwide.

--Mr. Peter Sany

Peter Sany, TM Forum President& CEO Visiting Yinchuan Citizen Hall in April 2015

5. Facilitate Administrative Process Reform
Smart City Vision
City is the product of social evolution. Urbanization is the main driving force of economic development.

Smart City construction is not only beneficial to solve the urban problems during development in the city, and to bring convenience and benefits to its citizens, but its role is also to drive the development of emerging industries. Smart City Strategy is beneficial for both national and regional economy development.
THANK YOU
